WHO WE ARE

Shriram Automall India Limited (SAMIL), an ISO 9001:2015 and MSME certified company began its eventful journey way back in 2011 by setting up India's first professionally managed and well organised Auction Platform for procuring and disposing pre-owned vehicles and equipment.

Today SAMIL offers transparent services for the exchange of pre-owned commercial vehicles, construction equipment, farm equipment, cars, three-wheelers and two-wheelers.

SAMIL, backed by Shriram Finance Limited and CarTrade Tech Limited offers its unique services across the country and conducts more than 3,000 bidding events every month through its physical and online platforms.

Our undeterred commitment to grow and develop the complete ecosystem is driven by our core values – relationships, transparency and innovation. Over the years, we have facilitated lakhs of customers in their buying and selling decisions by providing efficient inspection processes, reliable valuation and even catering to their financing needs.

We strongly believe that "We are what we are because of our customers".

WHAT WE OFFER

SAMIL is a leading pre-owned vehicle & equipment platform that pull together much of India's automobile ecosystem. Along with large inventory selection, a transparent process, detailed information, multiple bidding options & simple payment methods, we also provide a variety of services under one roof to ensure our customers have a pleasant experience.

SAMIL Financial* Service

Buy Now. Pay Later.

SAMIL Dealer Assistance Program is available for buyer and seller with distinct advantages for both the parties. For buyers, advances can be used to pay the sellers by speeding up the whole process and enhance their working capacity with more vehicles to work with. In the case of sellers, they can use the advances to ease their working capital and grow their business by getting more vehicles. A higher purchasing power enables buyers to bid for more vehicles, strengthen their fleet, acquire bigger business deals and ensure higher profits. But at times, they may or may not have the required capital to invest towards acquiring a larger fleet, resulting in them missing out on the opportunity. Amidst the given circumstances, a short-term advance with required freedom and flexibility can work wonders for the buyers.

SAMIL Financial Services provide short-term finance facilities, enabling used vehicles & equipment buyers and sellers to invest in a bigger fleet and reduce the downtime. The finance facility comes with the required repayment flexibility and freedom to invest in any vehicle or equipment offered at the auction, without any issues. Available across all 120+ Automalls PAN-India, our Financial Services have helped thousands of customers across the nation to do more business.

*Terms & Conditions Applicable

The salient features of our financial services include:

- Avail up to 70% advance
- Higher chances of acceptance: we say 'yes' more often than banks and other financing companies
- Available with minimal documentation
- Faster disbursal once the advance is approved
- Better repayment flexibility
- Facility available across 120+ Automalls PAN-India
- Easy application: apply at your nearest Automall
- Tailored solutions: designed to fit the needs of pre-owned vehicles and equipment buyers
- Freedom to bid for a wide range of vehicles and equipment at our Automalls
- Dedicated support team helping buyers every step of the way, throughout the process
- Bid/buy from anywhere, for almost anything at Shriram Automall, be it online or at physical auctions
- Opportunity to put vehicles/equipment to work, faster
