The Journey of A DECADE

Sameer Malhotra

Director and CEO, SAMIL

"We take pride to emerge out as "Only Organized Player" in otherwise cluttered marketplace. Team SAMIL is able to disrupt the market, transform services hassle-free & transparent for customers.

Continuous Innovation remains our core value, which enabled us to diversify in to new business lines. Company's unshakable belief in Unique "Physical- Online approach" has led SAMIL emerge as undisputed market leader among pre-owned vehicles and equipment auction platforms in India"

Organising The Pre-Owned Vehicles And Equipment Industry

Shriram Automall India Limited, an **ISO 9001:2015 certified, MSME company**, despite its numerous achievements over the decade, will always be the company that transformed the highly unorganised pre-owned vehicles and equipment segment. Backed by Shriram Finance Limited and CarTrade Tech, we're diversifying our portfolio, offering services for a wide variety of pre-owned vehicles and equipment including Commercial Vehicles, Passenger Vehicles, Three-Wheelers, Two-Wheelers, Farm Equipment and Construction Equipment.

Our Publicly Traded Backers

Shriram Finance Limited is one of the world's leading NBFCs, with more than 7.32 Million (as on March 31, 2023) private and corporate customers across India.

Shriram's customers benefit from a broad range of personal and commercial financial services, accepting Fixed Deposits, Commercial Vehicle Loans, Business Loans, Two-wheeler loans and more. It is a part of 49-year-old Shriram Group, a financial conglomerate that has emerged as a trusted partner in creating transformative experiences and lasting impressions in customers' lives.

CarTrade Tech is a multi-channel auto-platform with coverage and presence across vehicle types and value-added services. The company operates several brands under it: **CarWale, CarTrade, Shriram Automall, BikeWale, CarTradeExchange, Adroit Auto and AutoBiz.**

Through these platforms, CarTrade Tech enables new and used automobile customers, vehicle dealerships, OEMs and other businesses to buy and sell their vehicles in a simple and efficient manner. The company's vision is to create an automotive digital ecosystem which connects automobile customers, OEMs, dealers, banks, insurance companies and other stakeholders.

Our Humble Beginnings

SAMIL has experienced an exciting journey over the past 13 years. This humble journey started with launch of "first" Automall at Chennai to expand our network at more than 135 locations today, facilitating faster, smoother and value auctions. SAMIL has constantly innovated, diversified the business by adding convenient products and services in to our portfolio. This has led us out grow in multiple fields other than just the auctions space. As customer are our guiding force, every action we take goes in the direction to add value for them and our shareholders.

Customers at forefront

Over last 13 years, we achieved strategic milestones which has enabled us to stand as first choice for customers for pre-owned vehicles and equipment acquisition and disposal requirements. We're rapidly expanding our auctions platform by increasing our efficiency and demonstrating the value we bring to our stakeholders. Over the past few years, we've enhanced the customer experience by introducing improved products and processes. We're delighted to have received numerous customer accolades and testimonials, which fuel our mission to continue growing and improving.

A Step Forward

We are here to follow revenue growth, invest into technology, leverage strengths to transform ourselves further. We remain committed to our guiding stars, our loyal customers and other stakeholders. We're grateful to our customers for helping us reach this point, and we'll always strive to exceed their expectations. We're evolving beyond our traditional approach by adopting a more holistic perspective. We've noticed a shift in customer needs and new buying behaviours, and we're committed to embrace these changes. We remain nimble and agile in our pursuit of excellence.

SAMIL transformed a simple idea into a successful business operation, transforming into a leading auction platform for the acquisition and disposal of vehicles, equipment and various other movable and immovable assets in India.

We offer full-stack, fast, simple, reliable, organised omnichannel auction platform and allied services across the pre-owned asset acquisition & disposal industry. SAMIL is ISO 9001:2015 certified – a testament to our excellent business processes.

SAMIL Physical Auctions

Powered by over a 135+ Automalls offering cross-category pre-owned vehicles and equipment for live bidding, SAMIL Physical Auctions are our on-site bidding events that allow customers to pre-inspect their preferred vehicles in-person before placing their bids.

Over the last 14 years SAMIL has pioneered a unique ramping method that makes the auction process exciting for the customers. SAMIL's Physical auctions simplify the vehicles and equipment acquisition process, bringing transparency to a previously opaque industry.

Phygital Auctions

Introducing the concept of Phygital (Physical + Digital) bidding events Shriram Automall has changed the way the bidding events have been conducted in the industry so far. Along with physical bidding events in 135+ Automalls, Shriram has also been video streaming all its auctions successfully through its Digital solutions- Desktop LIVE Bidding and MYSAMIL APP.

SAMIL Premium is SAMIL's luxury business arm. Led by experts dedicated to offering end-to-end solutions for luxury cars and buses, the brand offers customised acquisition and disposal solutions across channels to fit the discerning buyer's needs.

It's About More Than 'Business As Usual'

Participate in one of our auctions; take a walk through the premises of our Automalls. You won't see our employees and customers, what you will see is two proud members of the SAMIL family meeting each other like they've known each other for so long. Such 'magic moments' are a result of our continued efforts and our SAMILIANS always going the extra mile to find the best ways to support the customer's needs, making sure they know they're always our priority.

BidClub Rewards – Our Way Of Saying 'Thank You' For Your Loyalty

We value our relationships with our customers and we make sure they know it. Through BidClub Rewards, we offer an exclusive membership program for SAMIL Group Companies' customers. Valid for a year, this membership entitles all our loyal customers to a variety of benefits, privileges, and cash rewards as a result of their year-long participation.

CSR

SAMIL Junior Einstein – Education Scholarship Program

SAMIL's Student Scholarship Program is a commendable initiative that provides financial support to less privileged students. The program covers the complete educational expenses of students from classes 8th to 12th, ensuring that they can continue their studies without interruption. By distributing **over 2000 scholarships in FY 2022-23**,

Water Cooler Installations

Shriram Automall India Limited's initiative to install water filters and coolers in government schools and gram panchayats is a commendable contribution to improving access to clean drinking water in rural areas. By providing clean water to students and communities, SAMIL is helping to address a critical need and improve overall health and well-being.

SAMIL Little Stars – SAMIL Junior Picasso

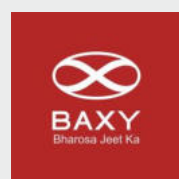

SAMIL Little Stars is a wonderful initiative that provides a platform for young children to showcase their artistic talents on a national stage. By participating in this program, children have the opportunity to develop their skills, gain confidence, and receive recognition for their creativity. The program also offers selected participants the chance to be featured in SAMIL's corporate videos and annual calendar, providing them with valuable exposure and opportunities.

Plantation Drives

SAMIL's tree plantation initiative is a commendable CSR drive that has contributed significantly to environmental sustainability. By planting over 10,000 trees across the country, SAMIL has helped to create greener spaces and reduce carbon emissions. The initiative aligns with SAMIL's commitment to social responsibility and sustainable practices.
